Application

Omnia Evolve is a mildly alkaline, universally applicable cleaner with a very wide range of applications. The formulation consists of sustainable, renewable and easily biodegradable raw materials. Omnia Evolve is a powerful all-purpose cleaner, degreaser sprayed on. After a reaction time of 1 min (old soiling up to 5 min), wipe up with a brush or cloth. Finally, rinse with fresh water.

Tile & Grout Cleaner

The application solution is sprayed onto the soiled areas. After a reaction time of 1 Machine. It is a broad-acting odor absorber against all odors from smoke, pets, waste, urine, sweat (sports shoes, changing rooms!), decay and much more.

Bathroom Cleaner

Apply the application solution generously to the soiled surface. After a r

Notes

Only store the product in the original container and in a frost-free place.

After removing partial quantities, the container should be resealed.

Due to the natural substances used, there may be a visible dark cloudiness in the lower part of the container. This turbidity has no influence on the washing performance of the product.
