Application

Omnia Evolve is a mildly alkaline, universally applicable cleaner with a very wide range of applications. The formulation consists of sustainable, renewable and easily biodegradable raw materials. Omnia Evolve is a powerful all-purpose cleaner, degreaser and odor absorber for the general cleaning of sanitary rooms and kitchens and meets all requirements for building cleaning. Thanks to its unique formula, Omnia Evolve is ideal for cleaning all water-resistant surfaces. There is no change to the surface or color.

Application dilution
Cleaner / dilution rate
Grease remover / 6.3 %
Tile and grout cleaner / 6.3 %
All-purpose cleaner / 1.6 %
Odor absorber / 1.6 %
Neutral bathroom cleaner / 1.6 %
Carpet cleaner / 0,4 % machine cleaning or 0.8 % stain treatment
Floor cleaner / 0.2 - 0.4 %
Glass and window cleaner / 0.4 %

Grease remover
The application solution is applied to the soiled areas. After a contact time of 1 min (old soiling up to 5 min), wipe up with a brush or cloth. Finally, rinse with fresh water.

Tile & Grout Cleaner
The application solution is sprayed onto the soiled areas. After a reaction time of 1 minute, work vigorously with a brush to loosen the dirt. Wipe off with a damp cloth/microfiber cloth.

All-purpose cleaner
Apply the application solution generously to the soiled surface. After a contact time of 30 seconds to 1 minute, wipe vigorously with a cloth. Ideally suited as an office cleaner.

Odor absorber
Apply the application solution generously to the unpleasant smelling areas. After a contact time of 30 sec to 1 min, wipe with a cloth (mop). Simply allow to dry! Soak very strong smelling areas (animals, urine) with the solution and leave for 3-5 minutes. Wipe away excess solution or wipe with a mop machine. It is a broad-acting odor absorber against all odors from smoke, pets, waste, urine, sweat (sports shoes, changing rooms), decay and much more.

Bathroom Cleaner
Apply the application solution generously to the soiled surface. After a contact time of 30 seconds to 1

minute, wipe with a cloth (mop).

Carpet cleaner
The application solution is sprayed directly onto upholstery or carpet. For stubborn stains, work in with a brush. Finally, wipe clean with a cloth, sponge or extraction machine.

Floor cleaner
For maintenance care, wipe the floor with the application solution and leave to dry. No extra rinsing is required. Reduce the dosage if streaks form.

Glass and window cleaner
Simply spray onto the surface and wipe clean. Ideal for quick cleaning of monitors, keyboards and housings.

Technical data

Density (20°C)	pH-value
1,05 kg / l	10,5 ; 1 %

Notes

Storage:
Only store the product in the original container and in a frost-free place.
After removing partial quantities, the container should be resealed.
Due to the natural substances used, there may be a visible dark cloudiness in the lower part of the container. This turbidity has no influence on the washing performance of the product.
