

Lavenium TW

Carpet detergent

Properties

- with excellent dirt dissolving properties
- with active color protection
- contains no bleaching agents or optical brighteners
- with moisturizing properties

Application

Lavenium TW can be mixed with any amount of cold water. Special additives ensure color protection and regreasing. The medium foaming capacity facilitates local treatment without causing foaming problems during carpet washing.

Lavenium TW is insensitive to the hardness formers in water and is suitable for all common carpet washing processes.

Lavenium TW can also be used for the manual application of oriental carpets using single/multi-disc machines, carpet washing lines, washing skids, etc.

Dosing

Carpet washing

Concentration	1 - 3 ml / l water
Temperature	20 - 30 °C

Technical data

Density (20°C)	pH-value
1,03 kg / l	7,0 - 8,0

Notes

Store the product in its original container.

Storage should be frost-proof, although the solidified products can be used again after thawing without any loss of quality.
