Status: 11/13/2026

Ozerna Carpet

Carpet detergent

Properties

- with excellent dirt-removing power
- with active color protection
- does not contain bleach or optical brighteners
- with moisturizing properties

Application

Ozerna Carpet can be mixed with cold water in any proportion. Special additives provide color protection and moisture replenishment. Its moderate foaming properties make it easy to apply spot treatments without causing foaming issues during carpet cleaning.

Ozerna Carpet is resistant to water hardness and suitable for all standard carpet cleaning methods.

Furthermore, Ozerna Carpet can be used for the manual cleaning of oriental carpets using single- or multi-disc machines, carpet washing lines, washing sleds, etc.

Dosing

Carpet Cleaning	
Concentration	1 - 3 ml / l of water
Temperature	20 - 30 °C

Technical data

Density (20°C)	pH-value
1,03 kg / l	7,0 - 8,0

Notes

Store the product in its original container.
Store in a frost-free location, although frozen products can be reused after thawing without any loss of quality.
