Oldomat Natural Clear

Ecological rinse aid

Properties

- active ingredients based on renewable raw materials
- drip-free surface
- perfect shine
- better drying effect

Listings

EU-Ecolabel listed

Application

Oldomat Natural Clear is a pH-acidic rinse aid for use in commercial dishwashers. The product contains a combination of surface-active substances tailored to the requirements of commercial kitchens, which ensures that the rinse water runs off well and thus ensures flawless and shiny dishes. Oldomat Natural Clear is used in conveyor and hood cleaning systems in commercial kitchens. Oldomat Natural Clear can also be used to improve drying results in automatic cleaning machines in food processing companies.

Dosing

Rinsing (mechanical dosing)	
Concentration	0,1 - 0,5 g / l rinse water
Addition	per wash cycle

Rinsing (manual dosing)	
Concentration	50 ml / 100 L rinse water

Technical data

Density (20°C)	pH-value
1,02 kg / l	3,50 ; 1 %

Notes

Storage:
Store the product only in the original container and frost-free.
Direct sunlight should be avoided.
After removing partial quantities, the container should be resealed.
