

Petrosol Forte

Sanitary cleaner

Properties

- versatile in use
- powerful
- with a pleasant fragrance
- can be used on acid-resistant surfaces

Application

Petrosol Forte is a fast-acting cleaner that can be used universally in all sanitary areas. The product is free from metal-aggressive acids so that Petrosol Forte can be used on all acid-resistant surfaces. Thanks to its pleasant fragrance, Petrosol Forte gives the cleaned rooms a pleasantly fresh scent. Petrosol Forte reliably removes limescale and rust stains and adhering dirt from ceramics, porcelain, stoneware, chrome, stainless steel and glass. Tiles, toilet bowls, urinals, washbasins, mirrors, toilet and shower cubicles, for example, can be cleaned easily and safely. Petrosol Forte must not be used on parts made of polyamide, such as toilet seats and lids, towel rails, door handles and fittings, marble and enamel. Petrosol Forte can be mixed with water in any ratio.

Dosing

Maintenance cleaning

Concentration	25 - 50 ml / 10 l water
Exposure time	15 min.
