Top Tech Klar

Acidic rinse aid

Properties

- drip-free surface
- perfect shine
- better drying effect

Application

Top Tech Klar is an acidic rinse aid for use in commercial dishwashers. The product contains a combination of surfactants tailored to the requirements of commercial kitchens, ensuring good drainage of the rinse water and thus flawless, sparkling dishes. Top Tech Klar is used in conveyor-type and hood-type cleaning systems in commercial kitchens. Top Tech Klar is also ideal for improving drying results in automatic dishwashing machines in food processing plants.
