Omnia Glaspur

Ready-to-use glass cleaner

Properties

- easy-to-handle
- streak-free cleanliness
- versatile in use
- can be used on glass, mirror and plastic surfaces

Application

Omnia Glaspur is a ready-to-use glass cleaner for quick and practical cleaning of glass surfaces. Soiling of all kinds is removed powerfully and streak-free. Omnia Glaspur is suitable for cleaning glass, mirror and plastic surfaces. In contract cleaning, it is also very well suited for quick cleaning results on monitors, keyboards and housings. As a ready-to-use preparation, Omnia Glaspur is simply sprayed onto the surface and wiped dry. For quick cleaning in object care, Omnia Glaspur is first sprayed onto a lint-free cloth. The soiled surface (e.g. computer keyboard) is then rubbed clean and dried in a single operation. When using for the first time, ensure material compatibility!
