

A decorative graphic in the top-left corner consisting of a series of overlapping white hexagons on a light blue background, arranged in a diagonal line.

EW Extra

Highly effective defoamer

Properties

- silicone-free
- Highly effective for heavy protein loads in the cleaning liquor
- Low temperature dependence
- FDA approval

Application

EW Extra is a silicone-free, highly concentrated defoaming concentrate for foam reduction and prevention in aqueous media. EW Extra is effective at temperatures as low as 20° C, so that even troublesome foam can be effectively reduced in relatively cold alt must be tested in advance whether it can be clearly dissolved in the intended quantity.

Technical data

Density (20°C)	pH-value
1,06	9,25

Notes

Store the product only in the original container and frost-free.
Direct sunlight should be avoided.
After removing partial quantities, the container should be resealed.
