Status: 11/17/2026

Ozerna Premium

Phosphate-free heavy-duty detergent

Properties

- particularly effective even at low temperatures
- biologically effective due to new special enzymes
- brilliant whiteness due to selected optical brighteners
- also ideal for launderettes

Application

Ozerna Premium is a high-performance universal detergent, ideal for dry cleaners and laundromats. Due to the high concentrations of enzymes and oxygen bleach, as well as a highly effective surfactant combination, it is fully effective even at low temperatures.

Dosing	Degree of contamination		
Water hardness	light	middle	heavy
0 - 8.4	7	9	11
8.5 - 14	9	11	13
> 14	12	15	17

The application quantity refers to g / kg dry laundry.
You can find out the degree of hardness or water hardness in degrees of German hardness from your local water company.

Technical data

pH-value	Bulk weight
11	620 kg / m³

Notes

Store the product only in its original container and protect it from frost. After removing partial quantities, the container should be closed again.
