

Omnia Select

Vending machine maintenance cleaner

Properties

- low-foaming
- cleans powerfully
- removes oil and grease soiling
- Can be used on water-resistant and alkali-resistant hard floor coverings

Application

Omnia Select can be used universally for manual and machine cleaning. Omnia Select acts quickly and very intensively, making the product particularly suitable for cleaning floors soiled with oil and grease as well as for maintenance cleaning with increased dirt ingress. When used by machine, Omnia Select is free from annoying foam development.

The product can be used on all waterproof and alkali-resistant floor coverings and surfaces. Polymer-coated floors and linoleum must not be treated with Omnia Select.

Ensure material compatibility when using the product for the first time.

Dosing

Maintenance cleaning

Concentration	50 ml / 10 l cold water
Addition	Increase to up to 10 % for persistent soiling.

Technical data

Density (20°C)	pH-value
1,02 kg / l	12,75
