

Ozerna Compact

Bleach- and enzyme-enhanced heavy-duty detergent

Properties

- ideal product for heavily soiled laundry and stubborn stains
- extremely high bleaching power
- highly effective at temperatures of 30–90°C

Application

Ozerna Compact was developed especially for the problematic area of bleachable industrial laundry (e.g. restaurant laundry, work wear from the food industry). Due to the high concentrations of oxygen bleach and enzymes, in combination with a balanced surfactant combination, it is able to remove many problematic soiling even at low temperatures.

Dosing	Degree of contamination		
	light	middle	heavy
Water hardness			
0 - 8.4	5	6	10
8.5 - 14	8	10	14
> 14	10	14	18

The application quantity refers to g / kg dry laundry.
You can find out the degree of hardness or water hardness in degrees of German hardness from your local water company.

Technical data

pH-value	Bulk weight
10,6	ca. 640 kg / m ³

Notes

Store the product only in its original container, protected from frost and moisture.
After removing partial quantities, the container should be closed again.
