Application

Antisept HD is an alcohol-based liquid disinfectant concentrate for ready-to-use hand disinfection. Antisept HD is well tolerated by the skin due to the addition of skin-protecting and skin-caring additives. Antisept HD is free from colorants and fragrances. Antisept HD is rubbed undiluted into the hands.

The following conditions apply for hygienic hand disinfection in accordance with the VAH disinfectant list:
Rub 2 x 3 ml Antisept HD into both hands for 60 seconds.

The following conditions apply for hygienic hand disinfection and limited virucidal activity according to the IHO disinfectant list:
Rub 1 x 3 ml Antisept HD onto both hands for 30 seconds.

The hands must be kept moist during the entire exposure time. If necessary, add Antisept HD during the exposure time.
