

Mosal T

Disinfectant concentrate

Properties

- tested hygienic agent for water separator care in dry cleaning machines
- universally applicable liquid active ingredient concentrate with a pronounced broad-spectrum effect
- reliably combats mold, yeast and bacteria
- free of chlorine and formaldehyde

Application

Water separator maintenance

After each water discharge, approx. 10 ml of Mosal T and approx. 100 ml of fresh water are added to the water separator. The previously emptied water separator is wiped out weekly with a cloth soaked in Mosal T.

Technical data

Density (20°C)	pH-value
1,00 kg / l	6,0 - 8,0
