Omnia Spezial

Mildly alkaline all-purpose cleaner

Properties

- strong dirt dissolving capacity
- gentle cleaning
- suitable for use in floor cleaning devices

Application

Omnia Spezial is a mildly alkaline, highly concentrated all-purpose cleaner with outstanding cleaning power and excellent dirt dissolving properties. Specially selected ingredients ensure that dirt is dissolved particularly quickly and the surfaces to be cleaned are treated gently. Omnia Spezial can also be used with hard process water without any loss of effectiveness.

Omnia Spezial can be used in all areas of industry and commerce as an all-purpose cleaner for basic and maintenance cleaning. Objects made of glass, ceramics, metal, plastic etc. in production, office and social areas are cleaned quickly and safely. Due to its low-foaming properties, the product is particularly suitable for machine cleaning of floors.

Dosing

Maintenance cleaning	
Concentration	500ml - 2,5l /10 l cold water
Exposure time	5 - 10 min.
