

Universal Flüssig

High-quality neutral cleaner concentrate

Properties

- pH-neutral
- Gentle on the skin
- Very effective
- universally applicable

Application

Universal Flüssig is a neutral, high-yield concentrate with skin protection and care components (lanolin) that enables particularly gentle cleaning. Selected surfactants ensure particularly gentle cleaning and drip-free draining of the cleaning solution, mUniversal Flüssig can be used with cold water. However, the use of warm water significantly improves the cleaning result. A few splashes are sufficient for dishwashing. After treatment with cleaning products, rinse with fresh water when used in food-process

Dosing

Maintenance cleaning
