Tolo Soft OD

Application

Cosmetic product manufactured on the basis of mild, skin-friendly substances. The raw materials contained have been dermatologically and toxicologically tested. Maximum protection and care for stressed skin, even with frequent use. Tolo Soft OD is dermatologically tested and contains no fragrances or perfumes. Very economical and suitable for dispensing. Tolo Soft OD is fragrance-free and can therefore be used without restriction in food processing plants, as there is no risk of fragrances affecting the sensory properties of processed food products. Apply Tolo Soft OD to moistened hands and rub in. A drop-sized amount is sufficient. Wash hands thoroughly under running water and rinse. If hands are heavily soiled with oil and grease, rub the concentrate into the hands before contact with water and then wash as normal.
